Superintendent's Message

A little over a year ago, Emerson-Hubbard Community Schools started a strategic planning process with the Nebraska Association of School Boards (NASB). More than anything, the process gave us an opportunity to listen—to our students, parents, staff, and community—and think about what we are doing well and where we can continue to grow.

That work started a bigger conversation about who we are as a school district, what we value, and what we want for our students. It also helped shape our new mission: providing a quality education that helps students reach their full potential, strengthens our school community, and prepares them to become responsible, engaged members of society.

This year, we are taking the next step by putting that mission into action through our motto: One Pack. One Purpose.

We all have different roles in making Emerson-Hubbard a great place for kids. Teachers and staff work with students every day. Parents support and encourage their children. Our community provides opportunities and support. Our school board helps guide the district. And, of course, our students have an important role to play as well. Our roles may be different, but our purpose is the same: helping every student grow and succeed.

As we move forward, we are working to identify simple, meaningful actions and expectations for staff, students, parents, community members, and our school board. My hope is that these actions give all of us a better understanding of how we can contribute to the success of our students and to the strength of our school community.

We may each have a different job, but we are all part of the same team. **One Pack. One Purpose.**

Superintendent Dustin Nielsen

IMPORTANT DATES:

October 4-10
Fire Prevention Week

October 7
Girls Golf Districts at Atkinson/Stuart GC

October 9
L& C Conference XC @Rolling Hills

October 12
5:30 P.M. School Board @Elementary Library

October 13
PINK OUT at VB game

October 14
2 Hour Late Start-Teacher In-Service

October 15
XC Districts at Twin Creeks, Pender

October 19-22
L&C Volleyball Tournament

October 20-24
FFA National Convention @Indianapolis

October 23
NO SCHOOL-Fall Break
XC State Meet @Kearney

October 26
No Preschool

October 26-27
D1-4 Subdistrict Volleyball

October 30
PreK-5 Halloween Parade @Emerson
(There WILL be Preschool classes.)
1st Round Football Playoffs

You can find the following and so much more on our school website and school app:

Calendars/Events Activity Info Menus Student Celebrations

www.emersonhubbardschools.org

Follow us on Facebook: Emerson-Hubbard Community Schools
X (Formally Twitter): Emerson-Hubbard Schools @E_HSchools

From the office of Mrs. Langholdt-Vannatta, Emerson-Hubbard Elementary Principal

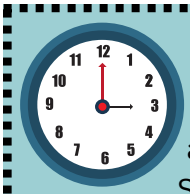

Thank you to all the families that attended conferences! We had two classrooms with 100% attendance in the elementary and an average of 90% family participation. We also appreciate all the support of the Scholastic Book Fair.
Map Growth Testing wrapped up in September. Students showed strong retention of skills after summer and it showed in the scores.
First quarter reading incentive carnival will be on October 14th. Students need to have the required amount of AR points to participate.
Keep encouraging your child to read at home.

October Important Dates:

Wednesday, October 14th- 2hr late start (Teacher in-service)
Friday, October 16th- end of 1st quarter
Friday, October 23rd- No School, Fall Break
Monday, October 26th- No Preschool
****Friday, October 30th-*** There WILL be Preschool*
1:00 P.M. PK-5th Grade Costume Parade @Emerson

We appreciate your continued communication with changes in pick-up/busing schedules for your children. We understand things come up and your child may not follow their regular after school plan. The office appreciates knowing of the changes to ensure all staff are aware and your child safely makes it to their after school location.

School Times and Procedures

The school day starts at the elementary and middle school/high school at 8:15 and dismisses at 3:30 at the elementary and 3:41 at the middle school/high school. Students may enter the buildings starting at 7:45 for breakfast and school work help. Parents/Guardians picking up their child after school from the elementary need to stand outside the school doors or wait in the car line in front of St. Paul's Church and behind the buses for their student to be dismissed at the end of the day (approximately 3:33).

Child Find

The Emerson-Hubbard Community School requests your help in locating handicapped children. The school implements the Federal Handicapped Children's Act (P94-142) and the Nebraska Statutes, which guarantees a free appropriate educational program for all children between birth and 21 years of age. If you have a student or know of any young person who meets these criteria, please contact the Superintendent's office.
It is the policy of the Emerson-Hubbard Community Schools not to discriminate on the basis of sex, handicap, race, age, color, religion, marital status, or national or ethnic origin in it's educational programs, admission policies, employment policies, other agency administered programs and all related publications.

ATTENDANCE MATTERS

Missing a day of school here and there may not seem like much, but absences add up!

When a student misses 2 days a month..

They will miss **20 DAYS** a year.

They will miss **30 HOURS** of math over the school year.

They will miss **60 HOURS** of reading & writing over the school year.

They will miss over **1 YEAR** of school by graduation.

When a student misses 4 days a month..

They will miss **40 DAYS** a year.

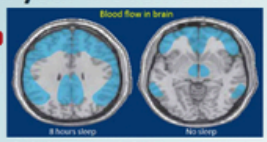

They will miss **60 HOURS** of math over the school year.

They will miss **120 HOURS** of reading & writing over the school year.

They will miss over **2 YEARS** of school by graduation.

Your brain controls all your movements:

REST IT.

Get 8-10 hours of sleep per night to repair muscles and keep the signals from your brain to your body moving fast.

Muscles make you stronger and faster:

NOURISH THEM.

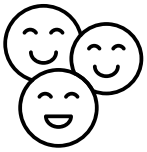

Take protein just after training.
Chocolate milk, a few handfuls of raisins or 2-3 Fig Newtons within 10 minutes of a hard workout will help you repair muscles and increase your strength.

Who you hang out with is going to impact your choices:

CHOOSE WISELY.

Surround yourself with positive people, places and things.

Emerson-Hubbard Elementary Fall 2026 Scholastic Book Fair was another huge success!
Thanks for your support!
You can continue to shop online until October 4th at https://bookfairs.scholastic.com/bf/emersonhubbardelemschool

Mrs. Oswald and the students and staff at E-H Elementary

Healthy sleep habits are tied directly to a child's academic success.

Did you know that kids 6 to 12 years old should be getting 9 to 12 hours of sleep a night, and older kids aged 13 to 18 should be getting 8 to 10 hours of sleep each night?

Healthy Sleep Habits for your Child

Create a healthy sleep environment in their bedroom with:
Dim lighting A comfortable temperature
Soothing sounds No TV or computer

Turn off all of these items at least 30 minutes before their bedtime.

Develop a bedtime routine that helps them relax.

Have them go to bed at or near the same time every night, even on weekends.

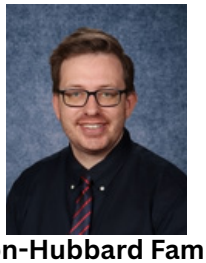

Happy Fall! With the cold and flu season upon us, I would like to share guidelines set by the ESU 1 on when and when not to send your child to school.

E-H Community Schools will have a family flu clinic available on October 6th at 3:30pm. This will be located at the MS/HS and is available to all students, faculty, and their families!

-E-H School Nurse, Kenedi Bach-Boston, BSN, RN

From the office of Mr. Biere, Emerson-Hubbard MS/HS Principal

Dear Emerson-Hubbard Families,

October is here, and it is hard to believe how quickly the first several weeks of the school year have gone! We are in the running for T-Mobile's Friday Night Lights competition. We have already earned $5,000 and could use your help to earn even more. Please post or repost pictures of any activities you may have at Emerson-Hubbard Schools. Tag our Instagram (@emersonhubbard_mshs) or our X (@E_HSchools) and @TMobile and use the hashtag #5GFNL and #entry to help us get over the hump and win $25,000 and move on to the next phase of competition.

By this point in the year, students have settled into their classes, activities, and daily routines. The excitement of a new school year has given way to the everyday work of learning, growing, and meeting expectations. October is an important month because it gives students an opportunity to reflect on how the year has started and make adjustments where necessary.

As we move further into the semester, I continue to appreciate the work of our students, staff, and families. We have had a strong start to the year, and I am excited about the direction our school continues to move.

One Pack. One Purpose.

Our theme this year, **One Pack. One Purpose.**, continues to guide the work we are doing throughout Emerson-Hubbard Jr./Sr. High School.

Being part of the Pack means understanding that success is a shared responsibility. Students have a responsibility to engage, work hard, and take advantage of the opportunities available to them. Staff have a responsibility to challenge, support, and encourage students. Families play an important role by reinforcing expectations and staying connected to their student's progress.

When all three work together, our students have the best opportunity to succeed.

October: Respond, Adjust, and Keep Moving Forward

One of the most important skills we can teach students is how to respond when things do not go exactly as planned.

A disappointing grade, a difficult assignment, a missing assignment, a mistake, or a challenging day does not have to define a student's semester. What matters is what happens next.

We want our students to learn to:

- **Take ownership.** Recognize when something needs to improve rather than making excuses or ignoring the problem.
- **Respond to feedback.** Feedback from teachers is intended to help students improve. Learning often requires revising, practicing, and trying again.
- **Use available support**. Teachers, study halls, reassessment opportunities, and additional help only work when students take advantage of them.
- **Communicate.** Students should learn to ask questions, advocate for themselves, and talk with teachers when they do not understand something.
- **Follow through.** Starting something is important, but completing it matters. Missing work and unfinished responsibilities become much harder to manage when they accumulate.
- **Keep perspective.** One difficult day, assignment, or grade is an opportunity to learn - not a reason to give up.

Check In on Academic Progress

As we approach the end of the first quarter, this is a great time for families and students to take a closer look at academic progress.
I encourage families to review **PowerSchool** together and have a conversation about what is going well and what may need attention.

Instead of simply asking, “What is your grade?” consider asking:

- Are you caught up in your classes?
- Is there an assignment you need to redo or improve?
- Which class requires the most work from you right now?
- Have you asked your teacher for help?
- Are you using your study hall effectively?
- What is one thing you are proud of accomplishing this quarter?

Our goal is not simply for students to earn a particular grade. We want them to understand the habits and decisions that lead to success and gradually become more independent in managing their responsibilities.

If you notice a concern, please reach out early. Communication between families and teachers is most effective when we can address small concerns before they become larger ones.

Attendance Still Matters

As fall activities become busier and illnesses begin to circulate, I also want to emphasize the importance of consistent attendance.

Every class period matters. When students miss school, they miss instruction, classroom discussion, practice, and opportunities to ask questions that cannot always be recreated through an assignment sent home.

Get Involved and Support the Pack

Fall is an exciting time at Emerson-Hubbard. Our students are representing our school in athletics, activities, organizations, performances, and events throughout the community.

I encourage our families and community members to continue coming out and supporting our students. School activities provide students with opportunities to develop leadership, teamwork, discipline, confidence, and relationships that often become some of their strongest memories from high school.

Thank you to everyone who continues to support the Pack!

Important Dates

Please continue to watch the **school calendar, PowerSchool, and district communications** for October activities, competitions, meetings, and other important events.

- **Fall ACT: October 7th**
- **2-Hour Late Start: October 14th**
- **End of the 1st Quarter: October 16th**
- **No School: October 23rd (Fall Break)**
- **October Assembly: October 29th**
- **Fall Concert 6-12: November 5th**

We have had a strong beginning to the year. Now our challenge is to continue building on it.

One Pack. One Purpose.

Go Pack!

Zach Biere
Principal
Emerson-Hubbard Jr./Sr. High School

Counseling October 2026 Newsletter
-Mrs. Sandy Ahlers

As we proceed through the Fall Semester, our Seniors should be focused on 1) Applications to college; 2) College/Business Visits; 3) completing the Free Application for Federal Student Aid or FAFSA..

ACT Test & Registration

Emerson-Hubbard encourages all college-bound students to take the ACT during the Fall semester. On Wednesday, October 7, 2026, we will host an on-site testing day.

All junior students will be taking the exam as part of our school-wide testing initiative. Additionally, this testing opportunity is extended to any interested sophomores and seniors who would like to register and participate.

Students may also register for a national test date.
National ACT test dates have been scheduled for December. The registration deadline for the December National test date is November 6, 2026 and the December ACT National Test Date is December 12, 2026. Students can register online at www.act.org.

College Campus Visits

Just a reminder to schedule college visits to help students in the college decision making process! Seniors and Juniors are allowed four days during the school year.

College Applications

Now is the time for Seniors planning to continue their education to begin completing and submitting applications to the colleges and universities they are interested in attending.

FAFSA

The Free Application for Federal Student Aid or FAFSA is the key document for federal student assistance programs including grants, loans, and work study funds. The FAFSA is also used by colleges and universities to award institutional scholarships and financial assistance. Students planning on attending higher education institutions in the Fall of 2027 can begin completing the FAFSA starting on Wednesday, October 1, 2026. The FAFSA can be accessed at studentaid.gov.

Emerson-Hubbard will hold a FAFSA Night on Wednesday, November 4, 2026, from 4:00-8:00PM at Emerson-Hubbard High School. Wayne State College representatives will be available to help with the FAFSA form process.

Campus/Career Trips

The Sophomore class will be attending the Northeast Nebraska Career Day held at Wayne State College campus on Tuesday, October 20, 2026. The students will be on campus the entire day, participating in career sessions and informative workshops.

The Junior class will be visiting the University of South Dakota in Vermillion on Tuesday, November 3, 2026. The students will get to experience the USD campus and also tour Masaba.

Please feel free to contact my office if you have questions at sahlers@ehpirates.org or 402 695-2636.

TRI COUNTY NORTHEAST WOLFPACK ATHLETIC BOOSTERS
2026-27 SPONSORSHIP DRIVE

Dear Supporters & Businesses of Emerson-Hubbard Community Schools and Allen Consolidated Schools:

The Tri County Northeast Wolfpack Athletic Boosters are excited to once again partner with our communities to support our student-athletes and athletic programs. For many years, the Allen and Emerson-Hubbard communities have shown tremendous pride and support for our students, and we are grateful for the continued commitment to the athletes who represent our cooperative.

The mission of the TCNE Wolfpack Athletic Boosters is to promote Wolfpack spirit while providing financial, volunteer, and community support to our athletic programs. Your sponsorship helps make it possible for our student-athletes and coaches to have the equipment and resources they need to compete, grow, and succeed.

Through the generosity of our sponsors, the Boosters have been able to provide financial support to each TCNE Wolfpack athletic team for coaches to use where needs arise, provide a Homecoming kickoff meal for our student-athletes, recognize state-qualifying athletes and teams with spirit goodie bags, and support other activities that build pride and community around Wolfpack athletics.

We are excited to continue these traditions while looking for new ways to support our athletes and strengthen our athletic programs. Join the TNCE Wolfpack Athletic Boosters and become a booster sponsor!

$30+ Sponsorship= Your name or business listed in sports programs
$100+ Sponsorship=Your name or business listed in sports programs and a booster yard sign
$150+ Business Sponsorship=Your business name listed in sports programs, booster yard sign, along with time-out recognition for your business at a home game and recognition on the TCNE Wolfpack Athletic Boosters Facebook page

Every sponsorship makes a difference. All proceeds from TCNE Wolfpack Athletic Boosters sponsorships and fundraisers go directly toward supporting our student-athletes and athletic programs.
We invite you to join us in building Wolfpack pride, supporting our athletes, and investing in the future of TCNE athletics.
Thank you for helping make these opportunities possible for our students!
On behalf of all TCNE Wolfpack coaches and athletes, thank you for your consideration and generous support!

Please detach and return this form with your sponsorship.
Sponsorships may be returned by mail to the address listed below or dropped off at the Allen or Emerson-Hubbard school office, or to Linda Rohde at the E-H district office.
Questions? Please contact: Melissa Twohig at 712-389-1168, Dawn Oswald at 712-490-2462, or Linda Rohde at 712-490-9195
Thank you for supporting TCNE Wolfpack Athletics!

GO PACK GO!

October 26-30, 2026

Emerson-Hubbard 9th and 10th grade Science Club and FFA students participated in the WonderWorld of Water on September 16th which was held in Pierce, NE at Gilman Park. The Wonderful World of Water program is a water quality event developed specifically for Nebraska high school students. It is a "hands-on" learning experience stressing the protection of natural resources ranging from water quality to wildlife.

Emerson-Hubbard High School had two teams participating in the competition with 10 other teams. There were two tracks with different topics involving water quality and wildlife presentations. After each presentation the team takes a quiz with questions based on the presentation they just listened to. Then the quizzes are scored and added together to create a team score. The final points are earned by answering questions about Nebraska water and wildlife. The final score is compared with all teams and a winner is announced. One of the Emerson-Hubbard teams placed 1st in the Track 2 division!

Emerson-Hubbard students participating in the Wonderful World of Water were: Ben Bousquet, Delaney Fuchser, Taven Kent, Drayden Neilsen, Olivia Carrensa, Karlee Duncan, Lux Mackling, Abe Mueller, Jack Olson, Timothy Peters, and Camila Ramos.

1ST QUARTER READING

EMERSON-HUBBARD ELEMENTARY CARNIVAL

Read your way to fun at our Elementary Carnival

ENTERTAINING GAMES & PRIZES

To join in on the fun students need:

PK-1st = 20 nights of reading

2nd- 5th = 6 AR Points

Carnival on October 14th during school

Safety / Crisis Information

The Nebraska Department of Education has worked on unifying language for safety procedures across schools in the state. The procedures requiring action are called "Standard Response Protocol" and consist of 5 main actions—hold, secure, lockdown, evacuate, and shelter. According to NDE, the Standard Response Protocol "is the uniform classroom immediate response to any incident. Protocol not only enables rapid response determination when an unforeseen incident occurs but also allows for a more predictable series of actions as an incident unfolds. By standardizing the vocabulary, everyone immediately involved can understand the response and status of the incident."

At the schools, we will be practicing drills based on these five actions and discussing ways to improve our response effectiveness and timing. In the event that we would ever need to evacuate the building for any reason, our Parent Reunification Site for the middle school/high school will be St. Luke's Church (211 West 2nd Street, Emerson) and for the elementary will be Sacred Heart Gym (600 North Main, Emerson).

In the case of an emergency, we would ask that parents and community members keep the following in mind:

1) Parents and relatives should NOT respond to the incident site (school) to allow public safety personnel time to respond to the incident.

2) Students will be released only to approved adults at the evacuation/reunification site (St. Luke's Church for middle/high school and Sacred Heart Gym for elementary).

3) All members of the community should avoid driving anywhere within several blocks of the incident or evacuation/reunification site.

4) All members of the community should avoid using cellular phones for the first several hours of the situation. This is to help keep cellular phone service from collapsing, as it has in a number of school crisis events. School and public safety officials may be heavily reliant on cellular service during a crisis.

5) Concerned parties should not call the school, school board members, or public safety dispatch centers to get information regarding the incident or particular students and employees. Personnel at these locations will be extremely busy, and often do not have information regarding each evacuee. Inquiries severely hamper efforts to manage the crisis properly.

We certainly hope we **NEVER** have to actually use these procedures, but we want to be as prepared and responsive as we can possibly be if we do.

Thank you!

Meal Information

Breakfast Prices PreK-12th $2.55 Adult $2.85
Lunch Prices PreK-5th $3.50 6th-12th $3.60 Adults $5.00 Extra Milk $.50 Extra Juice $.60

We realize that your bill is an additional expense for your family, but please pay your it in a timely manner.
Please apply for the free or reduced priced lunches as the school receives Federal and State reimbursement funds for every meal served. The main components of receiving free or reduced priced lunches are based on family income and the number of total family members living in the household. All families are encouraged to fill out the form to find out if they meet the necessary qualifications. Please know that all information is kept confidential and only used for the purpose of determining qualification for free or reduced lunch.

TEAMMATES

of Emerson-Hubbard

Follow us on Facebook at Emerson-Hubbard TeamMates

Want to know a GREAT way to volunteer in our school district?
Sign up to be a TeamMates Mentor!
Join TeamMates

What a joy for our students to start the 2026-27 school year knowing they'll have a mentor!

The Emerson-Hubbard TeamMates Chapter is accepting applications to become a mentor to a 3rd-12th grade student.

TeamMates is a school based, one-to-one mentoring program co-founded by Dr. Tom and Nancy Osborne in 1991.

The focus of the mentoring relationship is for an adult volunteer to help build a positive relationship with a student so as to help them reach their full potential.

Go to https://teammates.org/ to find out more information and sign up to become a mentor (on top of webpage).

OCTOBER NEWSLETTER

EMERSON-HUBBARD AFTER SCHOOL PACK

CLASSROOM UPDATES

September has flown right by. Ms. Tiffany, Ms. Annie, and all of their helpers- Kaydance, Ivy, Lily, and Kamryn- have been busy keeping the wolf pack after-school kiddos busy. We started strong with some fun, innovative craft and science days. With imagination-filled puppet shows, Mentos in soda, crafts, bubble mania, and much more, we've kept the kids busy. The after-school pack meets every day after school for some STEM learning lessons, crafts, and fun! If you would like to enroll your student, please call the school today.

If you have any information you would like to be shared in the E-H digital monthly newsletter you can share via email with Mrs. Dawn Oswald at doswald@ehpirates.org or send to newsletter@ehpirates.org

Looking Back to September at E-H Elementary School...

5th Grade enjoyed the Ponca State Park Expo!

Cassian was the lucky winner of the family engagement basket.

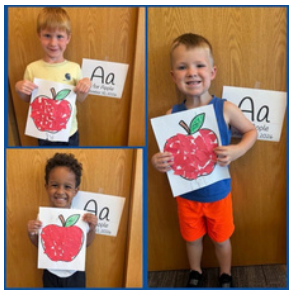

3rd grade visited Ike's Lake in Wayne.

The 2nd grade class attended the Ag Literacy Festival at the Dixon County Fairgrounds. They learned about different forms of agriculture, technology, and animal by-products.

Preschool: A is for Apple! C is for Cupcake! G is for Gumballs!

SEPTEMBER

Ms. Hughes and the Third Grade class traveled to Pender for FFA Farm Safety Day!

Updated schedules will be posted when finalized.

Quad County Junior High Athletics

Basketball and Wrestling Information

The information below outlines practice locations, season timelines, game or meet locations, and team schedules for Quad County junior high athletes.

JH Boys Basketball

- All practices will be held in Wakefield.
- Practice will begin after the football season and continue through January 30.
- Games will be played in Allen, Emerson, and Wakefield.
- Schedules will be set for A, B, and C teams.

JH Girls Basketball

- All practices will be held in Wakefield.
- Practice will begin in November and conclude during the first week of February.
- Games will be played in Allen, Emerson, and Wakefield.
- Schedules will be set for A and B teams.

JH Wrestling

- Practices will be split between Allen and Emerson.
- Both JH girls and boys wrestling will begin after the football and volleyball seasons conclude.
- The JH girls wrestling season will end on February 8.
- The JH boys wrestling season will end on March 1.

Notes

- Students may participate in basketball, wrestling, or both sports.
- Students participating in both sports will attend basketball on some days and wrestling on other days.
