

Lawrence High School

"No Cell Bell-to-Bell"

Personal Electronic Devices Expectations

Beginning this year, Maine has new law regarding use of and access to personal electronic devices during the school day.

Per the new law and District Policy, all prohibited devices will be powered off and stored in a designated location upon arrival and returned prior to dismissal.

Student/Parent communication will be facilitated through use the Main Office.

Disciplinary action to address violations are outlined in the Lawrence High School Student Handbook.

We believe this new law and policy will strengthen the Lawrence Learning community and we are committed to working with families to support the changes.

Devices Included (but not limited to):

Wireless Earbuds

Smart Watches

Tablets

Any Devices that can connect to cellular or internet data.
