Lawrence Primary & Elementary Schools

"No Cell Bell-to-Bell"

Expectations for Personal Electronic Devices

Beginning this year, Maine has new law regarding use of and access to personal electronic devices during the school day.

Per the new law and District Policy, all prohibited devices will be powered off and stored in a designated location for the duration of the school day.

Student/Parent communication will be facilitated through the Main Office.

Disciplinary action to address violations are outlined in the Lawrence Primary/Elementary Student Handbook.

We believe this new law and policy will strengthen our Lawrence Learning Community and we are committed to working with families to support the changes.

New Maine Law

MSAD 49 District Policy
