Dear Parent/Guardian,

On October 9th, Lakeland will be administering the PSATs to all 9th, 10th, 11th, and select 12th grade students. This day will be an Early Dismissal for students with release time of **12:45 pm**. Transportation will be available. Seniors are not expected to report to school on this day unless they have been told otherwise. Seniors who are expected to report have been sent a letter and notified by their teachers/counselors.

Please ensure that your child arrives at school on time on the day of the test. **Since the PSAT will be administered digitally, it is essential for students to charge their Chromebooks fully and bring them to school.** We encourage students to double-check that their devices are in working order and have all necessary updates installed. We will work with students to perform a Digital Readiness Check in the coming days and weeks before the test.

We will run a special schedule with students testing in the morning from 7:30-10:40 followed by a lunch period, Student Activities Fair, and Pep Rally. No regular classes will be held after the test.

If you have any questions or require further information, please do not hesitate to reach out to jcawley@lakeland.k12.nj.us.

Thank you for your cooperation and support in ensuring a smooth testing experience for all students.
