Dear Parents/Guardians:

Parents and teachers will have a special opportunity to meet to discuss your child's educational progress at our Parent/Teacher Conference being held on Thursday, March 12th, 2026, from 6:00 PM – 8:15 PM.

Parents/Guardians will use the "TeacherReacher.com" website found at http//www.teacherreacher.com to register for parent-teacher appointments. It is strongly recommended that you set up your Parent Account as soon as possible.

In addition to scheduling five appointments with Core Teachers, you will also be able to set up two appointments with Elective Teachers. Each appointment is scheduled for four minutes.

Parents/guardians will be expected to honor the time limitations of individual sessions. In order for the maximum number of parents/guardians to benefit from these appointments, it is absolutely necessary that everyone abides by the four-minute timeframe. When scheduling conferences, please be certain to build in time to get from one appointment to the next. Scheduling three conferences in fifteen or twenty minutes may result in missing one or more appointments due to travel time and the relative proximity of one meeting room to another.

Please be aware that teachers will not be able to honor any unscheduled appointments. All parents must use Teacher Reacher to schedule an appointment. In addition, the times for scheduled appointments will be strictly followed. If you are late or miss your appointment, you may schedule a phone conference or in school meeting for a future date.

The registration period for reserving conference times will begin at 9:00 AM on March 4th, 2026, The close time is 11:55 PM on Wednesday, March 11th, 2026.

We suggest that you create an account as soon as possible, by simply logging on to http://www.teacherreacher.com and following the step-by-step instructions attached.

We are confident that the parent/teacher conferences will be informative and productive. The staff and I look forward to seeing you at the upcoming conferences.

Sincerely,

Jennifer Lagnado-Papp
