Whether you're new or returning, this camp will help you feel ready on day one.

COMET CAMP:
After Summer School Program

Comet Camp is the perfect blend of fun, creativity, and activity for kids looking to make the most of their summer days. After their regular summer school sessions, children can dive into a variety of engaging activities, from sports to arts and crafts, swimming, and outdoor park adventures, all in one exciting program.

Each day, kids will get the chance to stay active and have fun with a mix of team sports like soccer and basketball, as well as individual activities such as swimming and obstacle courses. For those with a creative spark, they can explore their artistic side through arts and crafts, where they can paint, build, and design their own projects.

The fun doesn't stop there, weekly trips to local parks and the mill pond offer the perfect opportunity for kids to enjoy the outdoors, play games, and socialize with friends while exploring nature. Every day in the program is an adventure, where children can develop new skills, make lasting memories, and have a blast with their peers in a safe, supervised environment.
