Dehumidifiers
Refrigerators

Televisions
Computer Monitors (CRTs)
Media Tapes
Glass

Light Bulbs
Large Appliances

Tinora High School NHS & Rambunctious Radicals

Third Annual Electronics Recycling Day

Saturday, April 26, 2025, 9:00 AM - 11:00 AM

In cooperation with Napoleon Metal and Iron, Tinora High School NHS & Rambunctious Radicals are hosting the third annual Electronics Recycling Day on Saturday, April 26, 2025 from 9:00AM - 11:00AM. There will be a drop off location at Tinora just off Domersville Road where students will accept electronic items. **The school will be paid for the total pounds collected.**

What types of electronics are accepted for recycling? Almost everything electrical or with a power cord! Items NOT ACCEPTED include televisions, computer monitors (CRT's), air conditioners, dehumidifiers, other freon containing appliances, batteries, glass and light bulbs. These items are difficult to recycle properly and would cost the schools money. *A complete list of accepted items is on the back side of this page.*
