ARCHER & PARENT MEETINGS

Sunday, October 11

@ 2pm in the PAC

&

Monday, October 12

@ 6pm in the TES cafeteria

TINORA ARCHERY CLUB

ARE YOUR KIDS WANTING TO TRY SOMETHING NEW?

Come check us out at the Tinora Archery Club Open House. We will have the equipment there for parents and students to test out and see if the student would be interested in joining Archery Club at Tinora. Coaching staff will be on hand to assist students with equipment and to answer questions about the program.

About US

The Tinora Archery club was started in 2011. The club is open to all Tinora students in grades 5-12, as well as homeschooled kids in grades 5-12 that live in the Tinora District.

Each season we average around 75 to 80 archers. Everyone that joins will have opportunities to shoot at tournaments in the 4-county area as well as at the State and National level. Our season runs November thru March. We can be flexible with other activities that the kids are in.

Archer & Parent Meetings

ALL ARCHERS and PARENTS are asked to attend 1 of the 2 meetings to receive important information about the upcoming season.
