Read & Repeat

AR Rewards
2026-2027

What is AR? When can my child take a test?

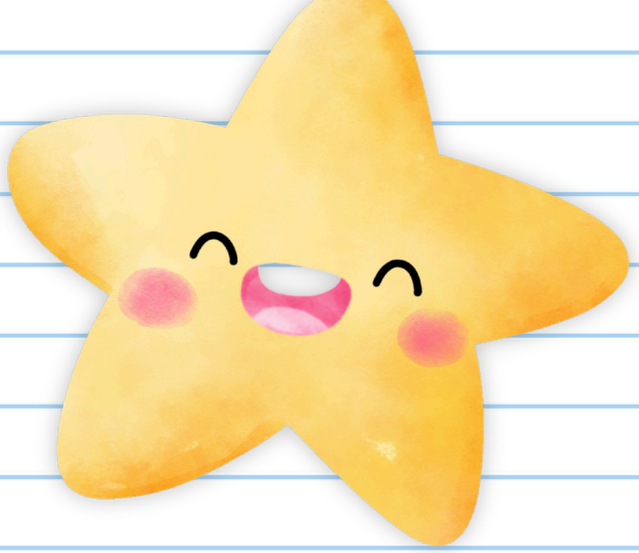

- Accelerated Reader (AR) is a program designed to encourage students to read. AR quizzes test students' comprehension of books they have read using an online computer program.
- AR tests can only be taken at school. Students may take tests in the classroom, in the computer lab, and in the library (with their teacher's permission). If your child reads a book from home, please send a note with the title and author to help your child find the correct test, or you may send the book to school. Testing will be open Monday - Friday, 7:40 - 3:00. Only tests taken in the 26-27 school year will count for the reading rewards.

Goals and Points

- **Most books in our school library have an AR test available. Those books are marked to show they have a test. Ask your librarian for more details.**
- **Each book has a point value, which is the maximum number of points that can be earned from that book if the student scores a 100% on the quiz.**
- **To get the full amount of points available for each book, all questions must be answered correctly. Partial credit is awarded for answering most of the questions correctly.**

Super Star Readers Challenge & Bonus Points Opportunity

To help build stamina in 3rd and 4th Grade, students have the opportunity to complete one of the following monthly challenges:

5 Bonus points

- 1 large chapter book
- 2 long graphic novels or shorter chapter books
- 4+ quick graphic novels or chapter books
- Another challenge approved by their teacher

*Our students in other grade levels who need a challenge will have the opportunity to work toward this reading challenge.

*Reading logs must be submitted to Mrs. Brickey for credit.

*Students names will be added to our Super Star Reader Wall

- The students with the most points in grades K-4 will be recognized with a trophy.
- The student with the most points overall in grades K-4 will be recognized at the end of the year.

Resources

- Use arbookfind.com to check a book has an AR test and the book level.
- Visit AR Home Connect by using this link. Log in using your child's username and password (It's the same one they use at school). Home Connect allows you to see which books your child has tested on, their scores, and progress towards their AR goal! You can also sign up to receive an email each time your child takes a quiz.also sign up to receive an email each time your child takes a quiz.
- Email Tia Brickey at tia.brickey@stuttgartschools.org or Kim Black at anna.black@stuttgartschools.org.
