SPRING SPORTS RECAP

5-31-2026

Varsity Boys Volleyball

Boys Volleyball continues to gain momentum across the state. With OSAA officially recognizing it as a sanctioned sport this year, the DCS Varsity Boys Volleyball team completed in a highly competitive mixed league of 4A-1A schools.

As the season unfolded, it became clear that our league was one of the strongest in the state, featuring five top-10 teams all competing for just three postseason spots. Through tremendous growth, resilience, and hard work, the DCS boys finished the regular season ranked 6th in the state among all 4A-1A schools (1st in the state for all 1A schools). Unfortunately, they narrowly missed qualifying for the postseason by finishing 4th in league play.

To highlight the competitiveness of our league, the three teams that advanced went on to compete at the state tournament and ultimately finished by claiming 1st, 2nd and 3rd place at the state tournament final site. Knowing our team consistently battled – and at times came out victors – against these top programs speaks volumes about their effort and determination throughout the season.

While the playoff system was clearly faulty and the outcome was disappointing, we are incredibly proud of these athletes and all they accomplished this year. Special recognition goes to the following for All-League Honors…

- 1st Team All-League – Levi McClellan
- 2nd Team All-League – Aleq Fontenot and Joshua Zakharyuk
- Honorable Mention – Jon Janzen

Varsity Track and Field

DCS's most decorated athletic program concluded another successful season by qualifying six boys and six girls for the OSAA 1A State Track & Field Championships.

The girls were represented by Eunice Cristurean (High Jump, 4x100 Relay), Lilly West (4x100 Relay), Haavah Lorenzen (100m Hurdles, Pole Vault, 4x100 Relay), Jocelyn Weston (Long Jump, Triple Jump), Brooke Hartley (4x100 Relay), and Ellie Christensen (100m Hurdles, Triple Jump). The girls team competed well and finished 35th out of 98 teams.

The boys qualified Gavin Anderson (100m, 200m, 400m, 4x100 Relay), Elijah Davidson (100m, 110m Hurdles, 300m Hurdles, 4x100 Relay), Levi Schell (Long Jump, Triple Jump, 4x100 Relay), and Peyton West (Pole Vault, 4x100 Relay), with Deegan Anderson and Noah Schell serving as relay alternates.

The Eagles entered the state meet as the favorite to repeat as the State Champion, but their hopes were dealt a major blow when Gavin Anderson suffered an injury on the first day and was unable to

compete for the remainder of the meet. Despite the setback, the boys rallied to earn an impressive 4th-place finish out of 98 teams.

Leading the way was Elijah Davidson, who won state championships in both the 110-meter hurdles and 300-meter hurdles, setting state meet records in both events. Davidson also placed 3rd in the 100 meters, establishing himself as the fastest hurdler in Oregon across all classifications this season.

In the field events, Levi Schell earned runner-up finishes in both the Long Jump and Triple Jump, while Peyton West placed 3rd in the Pole Vault.

The Eagles concluded the season with two state championships, two state meet records, multiple medalists, and another top-four team finish, continuing the tradition of excellence that has defined DCS Track & Field.
