NEWS RELEASE

The mission of News Release Basketball is to present the Good News of Jesus Christ and develop disciples of our Lord by building Christ-centered relationships using the sport of basketball. As an international basketball ministry, we want to be and build the family of God.

We travel across the world to conduct basketball camps and clinics and to participate in exhibition games and practices, all while sharing relationally about the life and love of Jesus that changes lives.

Summer Camps are in full planning-mode! We will be running 6 camps in 3 countries in Africa this year. Pray for provision, organizational challenges we are sure to face, and that God would be preparing the touring teams and hearts even now!
