Micah 6:8 "He has showed you, O man, what is good.
And what does the LORD require of you?
To act justly and to love mercy
and to walk humbly with your God."

The context of Chapter 6 in the book of Micah is God brings a charge against Israel. He begins by reminding them how He has miraculously saved them out of Egypt. He asks a rhetorical question, "How have I burdened you?" He then asks a series of rhetorical questions of what is needed to please God such as a year-old calf, one thousand rams, ten thousand rivers of olive oil or their first-born child? To each of these questions, there is a resounding NO. Then comes the famous verse where God plainly reveals what He expects from them and us. He expects them/us to act justly, love mercy and to walk humbly with God. A humble walk with God results in obedience – not perfection. A humble walk with God gives intimate knowledge of who He is and a peace of knowing what He expects.

Providence

The team has been working very hard for the last several days. One third of the team has fought pinched conduit with a relentless determination. They have been pulling wire, clearing throughways and digging holes looking for ways to get the wire through. They have finished the first floor. Due to workers still plastering, scaffolding and the difficulties they encountered on the first floor, they could not start the second floor. The plumbing team (one third) was successful in finishing just about everything they wanted for the rough plumbing. I believe one bathroom was not completely done. The last one third of the team has put a roof over the sheep pen. They had the hottest job. I am very thankful for their work, sacrifice and generosity. The team will leave tomorrow. Katie and I will take them to the airport and we will return to Puebla.

Water Filters

We had the privilege of sharing water filters with the construction workers on Saturday. The team did a great job sharing a testimony, the Gospel and explaining how to assemble and maintain the filters. 11 workers trusted the Lord and we are so thankful. Just yesterday, we repeated a presentation of both filters and the Gospel and 3 workers at the hotel trusted the Lord. I am always amazed at God's goodness to us and the honor it is to share our faith to the lost.

Coyotes

The enemy has taken out a total of 9 sheep. I have ordered several different types of traps. The two burros are doing their job. The sheep are definitely scared and are staying closer to the house. Stay tuned as we root out the evil amongst us…
