Community In Acts

February 2, 2026

Ps. 63:1-2 "[1]May God be gracious to us and bless us
and make his face shine upon us, *Selah*
[2]that your ways may be known on earth,
your salvation among all nations."

When one passes through a difficult season of life, like David's wilderness experience, the earnest searching for God is heightened. There is nothing in ministry I enjoy more than sharing the Gospel with those who do not yet know Jesus Christ as their Savior. The moment they pass from death to life is one that I deeply cherish and look forward to when sharing the Good News. The water filters give us a viable excuse to enter the privacy of one's home. We have had the privilege of sharing God's Word for hours upon hours. We get to answer real life questions with eternal truths and watch as God's Word takes root in the lives of the lost. In those moments we do sense God's face shining upon us and the mission of making His ways known. His salvation becomes a significantly meaningful mission that makes all of the suffering worthwhile.

Caleb and Family

Yesterday, Caleb and Stephanie and their four little ones braved the cold winter to come to Mexico. In the wee hours of the morning, they packed up their family for an international trip. They arrived yesterday afternoon full of excitement and just a tad bit tired. We already took the kids out for some local Gelato and the sugar gave them a second wind. They will be with us until February 9th. Sandy and I are getting tons of hugs and kisses and loving every minute of this surprise visit.

NCI Annual Meeting

This Wednesday, I will be flying to Houston for our annual meetings. We always look forward to our time with Glenn Smith. We will be spending time praying, planning and prioritizing what we want to get accomplished in 2026. I will fly back very early on Friday morning and spend the last two days with Caleb and his family.

Emerald Coast

The new architect is very good, very fast and very expensive. The entire outside of the building is now done and one third of the plastering on the second floor is done. I am asking him to complete the stairs and finish the rooms where they are plastering to make room for the team from Providence next week. This week I am tasked with purchasing all of the electrical, rough plumbing and have it at the ranch by Monday.

Prayer Requests:

1. Please pray for the new believers in La Victoria.
2. Please pray that we can get ready for the team of 11 coming from Providence Church.
3. Please pray for a productive time with NCI.
4. Please pray we can get rid of the coyotes at the ranch – they killed all 5 lambs and 3 sheep.
