Heb. 1:2 "In the past God spoke to our forefathers through the prophets at many times and in various ways, but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom he made the universe."

The supremacy of Jesus Christ is the central point of the book of Hebrews. He is described as the exact representation of God and is better than all previous forms of revelation. He is better than the Angels, Moses, Joshua, Aaron and the priesthood, the Old Covenant, the Tabernacle and Old Testament Sacrifices. Jesus, the God/man, being uniquely represented God to man and man to God. He left behind a perfect example to live our lives, a perfect sacrifice to pay for our sins, and a perfect plan to reach the world with the life-giving message of the Gospel.

Emerald Coast

The students continue to do their early morning exercises, followed with devotions on the beach. We were leading the devotions initially, but now the students are leading the devotions. This week, Juan Gaona is teaching on the Church and the Holy Spirit.

Electrician

So the solar panel company wanted a ridiculous amount of money to finish the electricity. We politely said no to their offer. By God's grace, we were made aware of a believer who spent his career doing commercial electricity and lives in a nearby town. We made a call and Pedro immediately dropped everything he was doing and has come out full-time to finish all of the electrical installation. We feel very blessed to have Pedro working with us.

Drill Rig

We were ending the training phase with the students and wanted to use the DR-20 rig as part of the training. When I turned it on and started to drill, grease came pouring out of the bottom of the rotary head. We took the part off and brought it down to a bearing/seal shop. They took the head apart and fixed the damaged rod, changed out the bearings and all of the seals. I am excited to use this rig in the very near future.

Prayer Requests:

1. We are thankful for all of the sacrificial giving, allowing us to get this far with the building.
2. We ask prayer for the student's spiritual growth and deeper understanding of God's Word.
3. Once the construction phase of this project winds down, we will change our focus to furnishing the building.
4. Please pray for Juan as he teaches this week.
