January 2026

To the brothers and sisters in Christ Jesus in **the Damascus Church,**

May the grace and peace of the Lord Jesus be multiplied abundantly and His presence be with you. I greet you all in the name of the Lord, and I pray that our Lord Jesus Christ will abundantly bless you and your families in the year 2026.

I am very happy for you who have been and are a great blessing to me here in Moldova, as well as for the work in our country so that we can serve more efficiently and without hindrance. I pray that the Lord will abundantly reward your service.

I would like to thank you very much for the financial and spiritual support (in your prayers) that you give to me, my family, the church and the southern region of the Republic of Moldova where I serve. Thank you very much for your involvement in the projects of construction of "houses of prayer," evangelistic campaigns and other projects for spreading the gospel.

By the grace of the Lord, this past year of 2025 was a year full of activities, evangelistic events, social projects, construction of churches, and the purchase of "houses of prayer." Therefore, I would like to share with you about some of these activities:

*In the southern region we have **36 churches** that are active.

***96 evangelistic events** were organized in churches, cultural centers, stadiums and tents.

*__Social projects__ with material support and food packages in 56 evangelistic campaigns.

*We have __3 day-centers__ that work with children outside the church and then feed them.

*__Feeding the elderly in 3 churches__.

*__Ministry in a prison__ regularly once every week.

*__Evangelistic events at Christmas in 29 schools and kindergartens__.

*We **procured (bought) 2 “houses of prayer”** in the villages of Hîrtop and Dizghinjea.

*The **opening of a “house of prayer”** in the village of Alexandr Feld and **a children's center** in the village of Burlaceni.

*There are **4 “houses of prayer” under construction**.

***3 brothers were ordained** to the position of pastor and **4 more** to the ministry of deacon.

These are the activities that with the help of the Lord we managed to do. We pray to the Lord that in the year 2026 which we have entered we can continue and at the same time be able to carry out more activities and projects.

In conclusion, we wish that you will continue to be with us to support us in your prayers so that the Lord will bless all the projects we plan for the new year of 2026 we have entered. Be blessed.

With respect and esteem,

Pastor Bularu Stelian
