“Let us not grow weary in doing good, for at the proper time we will reap a harvest if we do not give up.” — Galatians 6:9

This verse has always been a great encouragement in ministry. Much of the work we do for the Lord requires patience and perseverance. Often, we labor for long periods of time before we see the fruit of that work. Yet Paul reminds us not to grow weary in doing good. God sees the effort, the sacrifice, and the faithfulness that goes into serving Him. In His perfect timing there will be a harvest. Our role is simply to remain faithful and continue the work He has placed before us. Fixating on the purpose helps to override the weariness. Those that disengage from the battle too early will not be present at the time of victory.

RV Issues

I purchased an ozone machine to help get rid of the bed bugs. Based on the bites I got last night the bugs did not mind the ozone. I will be installing a new hydraulic pump, fix the water heater, put on a new toilet seat and get the RV ready for two more guests. Hopefully all of the problems will be resolved before they get here. Once the RV is ready, I will be setting traps for the Coyotes.

Teams Arriving

This week we have two teams arriving to help with work at Emerald Coast Seminary. Mike Contreras and Benjamin will be focusing on painting, helping us continue to improve and prepare the facility. The second team, Pete Gross, Juan and Chilo will be wiring the top floor of the seminary building, an important step toward making that space fully usable. We are grateful for those who give their time and energy to serve here.

Welder

For some reason the welder has stopped welding. The motor runs fine, but it does not produce electricity, nor does it weld. I will be working on that this week to see if we can trouble shoot the welder. I will remove the brushes, check for broken wires and go through the fuses.

Prayer Requests

1. Please pray for safety as teams will be working on very high scaffolding.
2. Please pray for the necessary funding to finish Emerald Coast Seminary.
3. Please pray for our students, that we will continue to see more students sign up.
4. Please pray for the new believers here along the Emerald Coast.
