God Hears Our Prayers

~ Anne Cetas, *Our Daily Bread*, November 4, 2025

God invites us to pray – whether it's for an urgent need or to thank Him for something small or significant. He hears our prayers, sees our tears, & will answer according to His plan.

****

Loving Father, thank You for wanting to hear my heart.
I trust that You're powerful and able to bring about
Your good will in my life and in those I love.

****

"Devote yourselves to prayer with an alert mind & thankful heart."

(COL. 4:2 NLT*)*
