Community In Acts

March 9, 2026

Gal. 2:20 "I have been crucified with Christ and I no longer live,
but Christ lives in me. The life I live in the body, I live by faith in the Son of God,
who loved me and gave himself for me."

On one of the recent teams, one young man asked me what my favorite verse in the Bible was. I quoted Galatians 2:20. This was my guiding verse throughout Bible College. There is way too much here to unpack in a paragraph. However, what I have loved about this verse is the response Paul felt to the sacrifice Jesus offered. Our union with Jesus and His crucifixion, means a death to the law and to self. I will no longer live for myself, nor my desires, nor my own purpose. I now live for Him through faith – a very worthy purpose and goal.

Wisconsin Team
This week, we have a team of 30 helping fix up the church in San Nicholas. They will also be handing out flyers for this weekend's medical caravan. They have been coming down for many years. What is different about this year's team is that this is the first time they have been in Mexico.

Student Recruitment
Juan recruited more students this past weekend. His family and Susy's family both live in the heart of the Totonaco region so they are able to both visit family and recruit for the Emerald Coast.

NCI Meeting
This Thursday, we will have a Zoom meeting early in the morning. I enjoy our monthly check-ins. We just spend time in prayer and updating each other with our praises as well as concerns.

Medical Caravan
This Saturday, we will have several doctors from Puebla giving up their day to help those suffering medically in San Nicholas de Los Ranchos. Jabir was able to meet with the local government officials and they have allowed them to use their facilities. In turn, we are allowed to promote the church and do some evangelism.

Stephen and Family
Friday was quite the ordeal for Stephen's family - it took them 18 hours to arrive. Weather, traffic, and distance made for a very long day. Hazel Mae is adorable. We have loved their time with us and are so thankful for them.

Prayer Requests:

1. We praise the Lord for a wonderful visit with Stephen and his family.
2. We praise the Lord that all of the plastering inside and out is now officially done.
3. Please pray for the necessary funding to finish the building.
4. Please pray for the new students signing up this week.
