July 1, 2026

Dear Parents, Guardians, and the PBL Community,

It is with immense pride, excitement, and a deep sense of responsibility that I write to introduce myself as the new Superintendent of Paxton-Buckley-Loda Community Unit School District 10. From my initial conversations with members of the Board of Education and staff it is clear that the Panther spirit is defined by resilience, dedication, and a shared passion for educational excellence. PBL has a long-standing tradition of fostering high-achieving environments across our schools, and I look forward to building upon that strong foundation alongside each of you.

My core philosophy is centered on putting students first in every decision we make. I believe that a thriving school district relies heavily on a robust partnership between the schools and the home. Your insights, engagement, and support are invaluable to our mission. Over the next several weeks and throughout the upcoming school year, my primary focus will be to listen, learn, and engage with our community to fully understand the unique strengths and opportunities within our district.

I look forward to meeting you at school events, athletic competitions, and community gatherings in the coming months. Please know that my door is always open, and I welcome your feedback as we work together to ensure the students at PBL CUSD 10 receive a world-class education that prepares them for lifelong success.

It is a privilege to join the Panther family. I look forward to partnering with all of you to make this upcoming school year truly exceptional.

Respectfully,

Eric Bohm
Superintendent
