McKinley Early Childhood Center

From the Principal's Desk

School Safety is our top priority at McKinley and in the Watertown School District. We take several precautions to make sure our students and staff are safe everyday when they are at school. All staff must wear ID badges at all times in the building. Parents may contact the office to make an appointment to visit with staff. We have plans in place and practice these plans for emergencies. We have a relocation and evacuation plan that are confidential. We work with our local law enforcement to develop these plans. Parents and family members, you can help us keep McKinley safe. All doors are locked during the school day. When you enter the front door, there is a doorbell to request information. Staff will ask that you wait in the front entryway until your child comes to you. Do not park in the bus loading zone or block in cars if you are exiting your vehicle. Thank you for helping us keep your students safe at school.

Sincerely,
Mrs. Hatton
