VFHS Principal's Board Report
November 10, 2025

The 2025-26 school year has really flown by as the first quarter has concluded, Fall parent teacher conferences are complete, and we are entering the Winter sports season and the Holiday season. FFA Nationals and FCCLA Fall Leadership conferences have concluded VFHS staff engaged in professional learning on November 3rd reviewing best management practices in classroom management, the use of Artificial Intelligence as a tool in education as well as the downfalls of its use. Winter sports will tip off on November 17th with late night being held on Nov. 25th. For more information of the activities at VFHS for October through early November 2025 please see the summary below.

Enrollment Trends:

9th Grade-30
