Board Meeting Report
1-12-26

We are off and running in our 3rd quarter. Students and staff are all back in the building with smiles and hugs for all. The weather has been beautiful for outside recess - enjoying the warmer temperatures and sunshine!

AR Shopping Store: The AR store was a great success! Breckyn Moore and Alila Brown helped to organize donations, set up the store, schedule volunteers, run the event, and tear down! Thank you to both of them for helping to make this possible for our students. They reported hearing things like, "I need to read more so I can purchase more next time." Great incentive to get our students reading.

Assessments:
KITE Interim Assessments will be completed January 12-February 6. These assessments are aligned with our State Assessments as a check point for teachers to gauge student progress prior to the State Assessment window opening in March.

Teachers worked on Data walls already this month based on our last FastBridge winter screener scores. This allows staff to track overall progress and individual student progress as well as monitor progress toward building goals.

Staff Updates: Congratulations to Phoebe Stottlemire as she was named a 2026 Kansas Horizon Award recipient which recognizes the outstanding teaching skills of new educators. This is a great honor and is well deserved!!

Welcome to our **first baby** addition for our staff. Ally and Drew Pickerell welcomed baby Cohen to the world on December 19th! Next up….baby Miller later this month!

December Highlights:

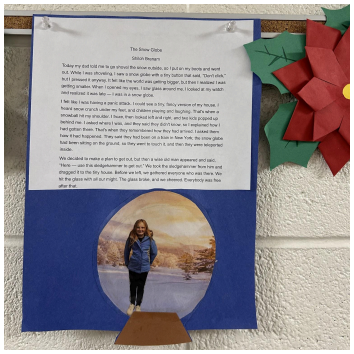

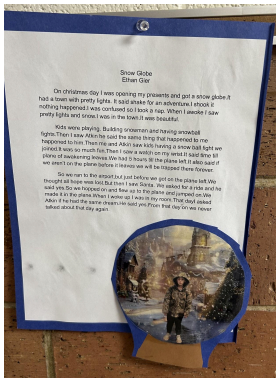

Middle School Athletics: The middle school girls basketball team finished up their season with a strong 5th place in the League Tournament. Congratulations to the girls and coaches!

The middle school boys basketball teams started their season off with wins all around at Effingham on January 6th. The team is coached by Brooks Glassel, Dylan Cervantez, and Trentan Kraxner. We will host our first home game on January 8th.

<u>Upcoming Events:</u>
