Orders can be shipped to school or directly to your home. Students can earn fun prizes, and proceeds will support classroom needs, activities, and more. Thank you for helping make this our best fundraising year yet!

PARENT TIPS AND TRICKS

September is the perfect time to set routines that make the school year run smoothly. Aim for 9–11 hours of sleep, power down screens an hour before bedtime, and build a simple after-school rhythm: Reading together, even just 10 minutes, boosts vocabulary and strengthens connection. Encourage your child to practice *Habit 1: Be Proactive* by setting a small weekly goal, like putting their folder in their backpack each night. With strong routines, consistent attendance, and a focus on good habits, we can make this a great start to the year, because **Big Ideas Begin Here!**
