An Equal Rights & Opportunities School District

Dear Iroquois Elementary School Families,

As we begin the 2026–2027 school year, the safety of our students during arrival and dismissal continues to be one of our highest priorities. In partnership with Lawrence Park Township, the Lawrence Park Township Police Department, and the Iroquois School District, an important traffic and parking change will be in effect along Morse Street.

There will be NO PARKING along Morse Street between Smithson Avenue and Tyndall Avenue during the following times:

7:00–9:00 AM
2:00–4:00 PM

Keeping this section of Morse Street free and clear of parked vehicles is essential to maintaining visibility, reducing traffic congestion, and, most importantly, creating a safer route for our students and families who are walking to and from school.

Walker Dismissal

Students designated as walkers will continue to be dismissed using our Brave Household Number system. Families meeting their children at walker dismissal should arrive on foot and have their Brave Household Number visible so that we can safely and efficiently match students with their families. Please remember that the walker dismissal area is intended for families who are walking to and from school. Families should not park on nearby streets and walk to the school in order to pick up a student as a walker.

If you plan to arrive at IES in a vehicle to pick up your child, please contact the IES front office to arrange for your child to be dismissed as a car rider. Our car-rider procedure is specifically designed to manage vehicle traffic safely and efficiently while keeping Morse Street clear for our walkers.

We recognize that changes to arrival and dismissal routines can require adjustments for families. This decision was made jointly by Lawrence Park Township, the Lawrence Park Township Police Department, and the Iroquois School District with one shared goal: ensuring the safest possible arrival and dismissal for every Iroquois Elementary School student. We greatly appreciate your cooperation, patience, and partnership as we work together to keep our students safe. If you have questions about your child's dismissal procedure or need to change your child to a car rider, please contact the Iroquois Elementary School front office. Thank you for helping us ensure a safe and successful start to the school year!

Sincerely,

Dr. Veronica Will
Principal
Iroquois Elementary School
