By completing the registration, you are giving your child the opportunity to participate in a Pre-K readiness screening. Registration begins the enrollment process, but does not guarantee a spot in the program. Our goal is to create a Pre-K experience where each learner is ready to learn, grow, and thrive. Age and readiness information will be considered as we make placement decisions.

Please keep your child's current Pre-K or daycare enrollment in place until you receive an enrollment decision from Northern Cass. Families will receive an enrollment decision by April 16, 2027, with a parent meeting to follow in May.

If all available spots have been filled, additional registration requests will be placed on a waiting list. Families will be contacted if a spot becomes available.
