

SUPERINTENDENT'S REPORT ON THE NOVEMBER, 2025 BOARD MEETING

Regular and Special July Board Meeting Minutes (11/18/2025) - <https://aptg.co/Q3nK02>

4-Day Week Ballot Language Approved

State law requires districts to receive voter approval in order to continue a four-day schedule. At the November 18 Board of Education meeting, the Board unanimously approved the official ballot language that will appear on the April 7, 2026, election ballot:

"Shall the school board of Grandview R-2 adopt the provisions of Section 171.028, RSMo, establishing a four-day school week for the next ten years in the district of Grandview R-2?"

This proposition will determine whether Grandview can continue operating on a four-day week for the next decade.

Early Graduation Approved

Upon the recommendation of the high school principal and counselor, the Board of Education has approved early graduation for the a group of students who have completed the necessary requirements for high school graduation

Congratulations to Hailee Hawn!

We are proud to announce that Hailee Hawn will represent Grandview as our nominee for the MSBA John T. Belcher Scholarship. Congratulations, Hailee, and best of luck in the next stage of the selection process!

Fall Activities Review and Winter Preview

Mr. Anderson, High School Assistant Principal and Activities Director, presented the Board with a review of our fall activities and a preview of the upcoming winter sports season. You can view the full presentation at this link: <https://aptg.co/YQKmpv>.

District Picture Taken

Staff and students voted on this year's district T-shirt design, and the entire Grandview R-II community gathered on the football field for a district-wide photo. Wagner Photography generously brought out their drone to capture the moment from above.

APR Review & Eagle Awards Recognition

Mr. Jefferies presented a review of our APR data and recognized several teachers with Eagle Awards for their outstanding performance and significant student growth.

District Safety Training Update

The district held its Safety Training last Thursday after school, led by Deputy Richard. The session provided valuable guidance as staff transitioned to the new standardized safety protocols. The staff would also like to extend their appreciation to the Board of Education for compensating them for their time and participation in this important training.

Appreciation for Staff and Community Support

The district extends its sincere gratitude to our staff and community for their cooperation and flexibility last Friday evening. With both the visitation honoring former Principal and Superintendent Jerry Moenster and the District Championship football game taking place on campus, your support ensured that both events were conducted smoothly and respectfully. Thank you for helping make the evening a success for our school community.

Elementary Wastewater Treatment Plant

The district's new sewer treatment plant has experienced some settling issues, and Brockmiller has been onsite addressing the necessary corrections. During this process, the district has temporarily shifted operations back to the old treatment plant to ensure continued, uninterrupted service. Normal operations will resume once the situation is fully resolved.
