Keepin' it Breeze-y

We had a fantastic Homecoming Week at Grandview High School! A special thank you goes to our STUCO members and sponsors for the time, creativity, and hard work they put into making the week so memorable. From the dress-up days and bonfire to the football game and dance, our students and staff showed great school spirit and made it a week to remember.

As we look ahead, this is a reminder that the first quarter will come to a close on Friday, October 16. We will celebrate Senior Night that evening on the 16th during the football game, recognizing our seniors in football, band, cheer, and cross country. Parent/Teacher Conferences will be held Monday, October 19 from 12 pm - 6 pm. As the quarter closes, fall sports seasons will begin wrapping up as well. Volleyball districts begin on October 20, football districts is on October 30, and the cross country district meet is on October 31. We are proud of all of our fall athletes and activities and look forward to cheering them on as they finish their seasons strong!

Position:

Ag/Shop Teacher, FFA Sponsor

Some facts...

This is my 13th year teaching at Grandview. Prior to teaching, I worked at Chrysler for 25 years. I have 5 adult daughters and 2 of them are teachers here at Grandview.

Some fun...

Love traveling out west with my wife Vicky in our motorhome. Favorite pastime is spending time on my small farm, taking care of the cows and chickens. Enjoy watching baseball, but hockey is my favorite sport to watch, especially the Blues.

Why teaching?

I enjoy teaching students a trade, especially seeing them do things out of their comfort zone & seeing their surprise at success. I get to teach about things that are my passion & build long term career connections for them!

A+

Mrs. Sullivan's class is taking time every week to show their appreciation for someone with "Thank you Thursdays". They recently celebrated Grandview High School's hardworking custodians who help keep the school clean, safe, and welcoming every day. To celebrate Custodian Appreciation Day, the students created colorful thank-you cards and put together special gifts as a small token of their gratitude. Last month, the students showed their appreciation to active military members in honor of Patriot Day.
