Code of Conduct Agreement

Code of Conduct

As a student or parent/guardian of a student attending the Lee County School district, I acknowledge that by signing this document I understand that I have access to the Student Code of Conduct and District Handbook online at <https://www.lee.kyschools.us/page/links-downloads> (Campus Life- Handbook Policies link from District Website) and I am aware of my responsibility to read its contents. Further, I understand it is my responsibility to gain a working knowledge of the policies outlined in this handbook and share this information with my child/children. I am also aware of my right to question the school principal or the designated school staff members concerning any policy within this handbook that I do not understand. **** Hard copies of this document are available upon request.

Classroom Recording

Teachers will be recording many of the lessons for students on a virtual program and for times when children may have to be out of the classroom. These videos will be uploaded to the teachers' Google Classrooms for students in the classrooms to view. While we will do our best to record the teacher instructing the lesson, students may from time to time appear in the video or their voice may be heard responding to questions and discussions in the video. I agree to my children appearing in video and/or their voice being on video for instructional purposes.
