

Safe NIGHT 2026

Dear Parent/Guardian:

The Emmons County Interagency is sponsoring the Annual Emmons County Safe Night on Friday, March 27, at Linton Public School. All 5th, 6th, and 7th grade students from Emmons County are invited to attend this fun and engaging event.

Safe Night is a free event designed to give youth an opportunity to spend time with their peers in a safe, positive environment.

The evening will begin with a keynote presentation for all participants. Following the presentation, students will enjoy a meal and then rotate through four interactive sessions. Each session is designed to provide valuable information and education while incorporating hands-on activities that support learning and engagement.

Participants will receive a Safe Night t-shirt. This year's theme is ***Stronger Together 2026 (Building a Stronger Mind, Stronger Friendships, Stronger Body)***. Students are encouraged to wear athletic clothing.

3:30 – 4:00 p.m.: Local Students Help Set Up
