Riptide Reminder
A Riptide Reminder is a formal, written notice of a behavior infraction. Riptide Reminders must be signed by a parent or guardian and returned to the adult that issued the reminder the following school day.

Riptide Reflection
A Riptide Reflection is a restorative consequence in which the student has the opportunity to reflect on their choices, understand the impact, and learn from the experience. Riptide Reflections are a written activity that students complete at school with the guidance of the staff member that assigned the reflection. Parents receive a copy of the completed Riptide Reflection along with Riptide Reminder #2.

Riptide Reset 30-Day Policy
Riptide Reminders reset after 30 days. Once it has been 30 days since the most recent Riptide Reminder, consequences reset to the 1st Infraction column.
